*These statements have not been evaluated by the FDA. This product is not intended to diagnose, treat, cure or prevent any disease.

Directions: For adults, take one (1) softgel one to two times daily, preferably with a meal.

Regular Co Q-10 supplements must be converted in the body to Ubiquinol to provide antioxidant protection.* By supplementing with Ubiquinol, you are providing your body with an active form that is ready to fight free radicals.* Oxidative stress from free radicals can lead to the premature aging of cells.* Ubiquinol also supports heart health.*

Statin medications can reduce Co Q-10 levels in the body. Co Q-10 can replenish what statin medications may deplete. Note: Co Q-10 is not intended to serve as a replacement for Statin therapy, nor should you discontinue taking any prescribed medications while supplementing with Co Q-10.

WARNING: If you are pregnant, nursing, taking any medications or have any medical condition, consult your doctor before use. Discontinue use and consult your doctor if any adverse reactions occur. Keep out of reach of children. Store at room temperature. Do not use if seal under cap is broken or missing.
