WARNING: KEEP OUT OF REACH OF CHILDREN. Not intended for individuals under the age of 18 unless instructed by a doctor. Do not use this product if you are pregnant, nursing, or contemplating pregnancy. Consult a physician or healthcare professional before using this or any other dietary supplement or before beginning an exercise program. Consult with your primary physician prior to use if you have any pre-existing medical conditions, or if you are using blood thinners or taking any prescription or over-the-counter drugs. Discontinue use and consult a medical doctor if you experience any unusual symptoms. If you or your doctor has any questions about this product, please call 1-866-666-1575. One serving (one scoop) of this product contains up to as much caffeine as a large cup of coffee. Do not combine with other caffeine sources, and do not consume alcohol while consuming. The contents of this formula may create a bitter flow. These contents are being consumed in the presence of the body in a liquid form, such as water. This is normal, and you should not be alarmed. The "Pre-Gro" and separate should be consumed after and two weeks of consistent use. 1000mg of caffeine is a stimulant. This product contains substances known to the state of California to cause cancer, birth defects, and other reproductive harm. Use only as directed. Do not use if packaging has been tampered with. Store in a cool, dry place (60°F to 80°F).
