DIRECTIONS FOR USE: As a dietary supplement, mix each scoop with 6 to 8 oz of water approximately 30 minutes before your workout. Start by assessing your tolerance for Pre-Gro by consuming only one scoop before your first workout. Then increase your scoops to two once tolerance has been assessed. Pre-Gro can be used on its own or with other (Safari) supplements that do not contain caffeine or other stimulants.

**Maximize Your Workout and
Build Muscle with PRE-GRO!^Δ**

New **Pre-Go** from iSatori prepares you to hit the weights with maximum intensity and build muscle at the same time.¹ By infusing clinically tested **Bio-Go[®]** Bio-Active Peptides into a unique, performance-based pre-workout formula, iSatori created Pre-Go to take your workouts to a new level. Along with the clinically tested Bio-Go, the addition of a class-leading **Plasma Expansion Complex** will allow substantial blood volume increases which, when triggered by intense training, can drive a new level of volume to your pump.² Ignite your mind, push more weight, experience the PlasmaVol[®] pump and build more muscle with new Pre-Go from iSatori. **Pre-Go – It's Go Time!**
