

Why Six Star® Testosterone Booster Is the Smarter Choice

Six Star® Testosterone Booster is from the makers of MuscleTech®, America's #1 selling body building supplement brand, so you know it's a premium formula you can trust. Your body uses the testosterone it makes for muscle growth, strength gains, and boosts in performance. That's why a testosterone-boosting supplement can be beneficial. But unlike most testosterone boosters that are backed by anecdotal evidence or research on animals, Six Star Testosterone Booster contains key ingredients studied in human clinical research so you know it works. Trust Six Star® for the best formula and best results.▲

Who Is Six Star® Testosterone Booster For?

- ★ Fitness Enthusiasts
- ★ Body Builders
- ★ Strength Athletes

What Benefits Does It Provide?

- ★ Key ingredient shown to stimulate active (free) testosterone.▲
- ★ Key ingredients shown to maintain peak test to cortisol ratio and enhance training performance.▲
- ★ Features *Tribulus terrestris*, which has been trusted by athletes for years.▲

Boost Testosterone and Enhance Performance

1 Six Star® Testosterone Booster is formulated with an effective dose of boron, which is shown in human clinical research to increase active (free) testosterone in just one week.▲

2 It's also scientifically engineered with a unique, plant-based blend (rhodiola and ginkgo extract) shown in a 7-week human clinical study to maintain peak test to cortisol ratio after an intense training regimen. Cortisol is a hormone released during your workout that can break down muscle tissue. Test subjects also enhanced performance as determined by a marker of training capacity.▲
