SCIENCE CORNER

Due to the hundreds of published, peer-reviewed studies, scientists around the world are extensively researching the many potential health benefits of CoQ10. Some studies suggest that CoQ10 may positively influence cardiovascular health, cellular energy, mitochondrial and immune function.*

Our CoQ10 contains only 24 Hour Time Released Microactive® CoQ10, patented for complexing CoQ10 with β -cyclodextrin. This water dispersible form is the only form to offer universal enhanced absorption.*
