No Artificial Flavor, No Sodium.**

***These statements have not been evaluated by the FDA. This product is not intended to diagnose, treat, cure or prevent any disease.**

Directions: For adults, take one (1) softgel three times daily, preferably with meals.

Phosphatidylserine (PS) is a natural substance found in brain cell membranes.* Phosphatidylserine levels in the brain can decline with age, so it is important to supplement with Neuro-PS® every day to aid brain function and support a healthy mind.* Very limited and preliminary scientific research suggests that PS may reduce the risk of cognitive dysfunction in the elderly. FDA concludes that there is little scientific evidence supporting this claim.

Non-Bacterial Processing

WARNING: If you are pregnant, nursing, taking any medications or have any medical condition, consult your doctor before use. Discontinue use and consult your doctor if any adverse reactions occur. Keep out of reach of children. Store at room temperature. Do not use if seal under cap is broken or missing.
