Our Maca comes from certified organic fields high in the sun-drenched Andes Mountains. Our personal relationships with Maca growing families enable us to select only the finest hand-harvested roots, which are carefully dried and then steam-cooked (gelatinized) to enhance potency and digestibility.

Maca is a Peruvian superfood used for centuries to promote energy, boost stress response and increase libido.* Taken daily, both men and women will benefit from Maca's potent nourishing effects.

*Promotes Energy & Libido**

60 vegetarian capsules • 500 mg each
