Women's Living Green Liquid-Gel Multi[®] sets a new standard in today's world of low nutrition and high stress. Combining powerful botanicals and essential nutrients, this is not a one-size-fits-all formula... it's targeted to benefit the unique nutrition profile of women.* For example, it delivers Vitamin D3, Cranberry and more. Most importantly, it's one of the world's only multivitamin formulas delivered in a Liquid Soft-Gel. So what does that mean to you? Liquid Soft-Gels are easier to swallow, they release their nutrients quickly, and they are free of binders/fillers that are typically found in tablets – leaving more room for life-giving nutrients. But the greatest benefit of Liquid Soft-Gels is that they can hold important oils, such as Omega-3 Essential Fatty Acids (EFAs). This breakthrough formula combines over 70 nutrients, vitamins and minerals that cover the following 12 categories:

ONE: Full-Spectrum Vitamins	SEVEN: Amino Acid Blend
TWO: Minerals	EIGHT: Traditional Botanical Blend
THREE: Crucial Oil Complex	NINE: Green Super Food Blend
FOUR: Antioxidant Blend	TEN: Adrenal Blend
