How to Make the Perfect Protein Shake:

STIR
Simply stir in a glass of water or milk.

SHAKE
Cover and shake until well mixed.

BLEND
Secure lid and blend for desired thickness.

Tip: Try blending with ice, your favorite fruit, peanut butter or anything else you enjoy for a delicious smoothie.

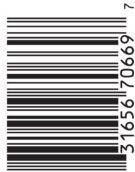

Suggested Use: Mix 1 scoop with 4 to 6 oz. of cold water or skim milk. Take at breakfast, after your workout, or any other time of day. Shake well before drinking. You can customize your own shake by blending with frozen fruits, yogurt, or anything else you enjoy.

Notice: This product is sold by weight, so some settling may occur. Shake container before use.

Notice: Use this product as a food supplement only. Do not use for weight reduction.
