

LIPOSOMAL ENCAPSULATION is an advanced system designed to protect the nutrients from breakdown by the digestive system and deliver the nutrients in a highly absorbable form through the cell wall. Ordinary pill and tablet supplements do not deliver this dual action.

This natural orange flavored, easy-to-swallow liquid, contains 90 high potency servings of Vitamin C to support immune health*

Just a 1/2 teaspoon delivers 8 times the recommended daily intake.

Color, flavor and sweetness of this product may vary due to variations of natural ingredients.

Warning: If pregnant or nursing, consult your healthcare practitioner before taking this product.

Keep out of reach of children. Store upright in a cool, dry place. Refrigeration is recommended after opening, but not required. For ultimate freshness product should be used within 90 days of opening.
