

Suggested Usage: Take 2 softgels 1 to 2 times daily with food.

Emerging research demonstrates that gamma-Tocopherol, the most abundant form of Vitamin E in the diet, has very important and unique functions.* Central to these functions is its capacity to detoxify reactive nitrogen species, an especially destructive form of free radical.* In addition, gamma-Tocopherol acts to trap and remove free radicals from the body in a way that alpha-Tocopherol cannot.* NOW® Advanced Gamma E Complex provides the full range of Vitamin E protection because it has a more natural balance of Tocopherols plus a full complement of Tocotrienols.* NOW's "Advanced" formula thereby provides superior support for cardiovascular health, as well as protection for the health of the prostate and the colon.*

Some scientific evidence suggests that consumption of antioxidant vitamins may reduce the risk of certain forms of cancer. However, FDA has determined that this evidence is limited and not conclusive.

Caution: For adults only. Consult physician if pregnant/nursing, taking medication, or have a medical condition. Keep out of reach of children.

Do Not Eat Freshness Packet.
Keep in Bottle.

Natural color variation may occur in this product.
