Read the entire label and follow the directions carefully prior to use.

**DIRECTIONS:** Take two (2) softgels daily in divided doses with or without food, or as recommended by a healthcare practitioner.

For optimal results, take regularly for four to six months, then reduce dose or discontinue use. If benefits subside, repeat for up to four to six months.

Migra-Eeze™ uses a patented butterbur extract carefully extracted using state-of-the-art technology to obtain key active ingredients while containing extremely low levels (<0.1 ppm) of pyrrolizidine alkaloids (PA).
