

PROMASIL™ is a unique combination of 7 high-quality protein sources that results in the perfect amino acid profile for stimulating muscle growth. The 7 protein sources found in **PROMASIL** ensures that your muscles are provided with immediate and long-lasting enhancement of whole-body amino acid and nitrogen balance. On top of that, **PROMASIL** is nano-partitioned and fractionated for enhanced biological value, which results in maximum protein synthesis and retention! **PROMASIL** even includes beta-alanine which further aids in building muscle and functional strength. By simply adding delicious **PROMASIL** shakes to your diet you'll quickly experience incredible muscle growth and maintenance of lean mass while dieting for fat loss!

Recommended Use: Dr. Darren Burke (PhD) recommends 2-4 scoops every day mixed with 250 ml (1 cup) of water or skim milk. On training days, take 1 scoop in the morning, 1-2 scoops immediately after exercise, and 1 scoop at bedtime. On non-training days, take 1 scoop in the morning and 1 scoop at bedtime. For best results use **PROMASIL** every day and combine with resistance exercise 3-5 days per week.
