

DIRECTIONS: Take 1 tablet 30 minutes before breakfast and 1 tablet 30 minutes before dinner, or as directed by your healthcare practitioner.

ALAmox CR™ is a whole-body, multifunctional antioxidant that helps to maintain healthy, well-functioning cells. ALAmox CR is designed to neutralize free radicals. ALAmox CR has the ability to destroy free radicals in both the water-based and lipid-based portion of cells, making it the ideal whole-body antioxidant. In addition, ALAmox CR helps the body synthesize glutathione, the body's own master detoxifier. ALAmox CR also "recharges" other important antioxidants, such as vitamins C and E, and CoQ10, giving them the ability to continue fighting free radicals for extended periods of time. Unlike regular alpha-lipoic acid, ALAmox CR's patented, controlled-release formulation provides extended protection. In addition, biotin supports the function of alpha-lipoic acid in regulating glucose metabolism.†

†These statements have not been evaluated by the Food and Drug Administration. This product is not intended to diagnose, treat, cure, or prevent any disease.

CAUTIONS: Consult your healthcare practitioner before use, especially if you have or suspect you have a medical condition, including diabetes; if you take prescription drugs or are allergic to any ingredient; or if you are pregnant or lactating. Keep out of reach of children.

STORAGE: Store in a cool, dry place.

DOES NOT CONTAIN: Wheat, gluten, yeast, soy, animal or dairy products, fish, shellfish, nuts, tree nuts, artificial colors, sweeteners, or preservatives.
