

**Directions:** Take 4 capsules before breakfast and 4 capsules before lunch or at mid-afternoon [2-3 p.m.]. Do not take after 3 p.m.

**Appe-Curb** contains neurotransmitter precursors and converting nutrients that help satisfy the "reward cascade" of the brain. Satisfying the "reward cascade" of the brain may help in reducing carbohydrate/calorie cravings while improving mood swings and increasing energy. By helping to restore all the major brain neurotransmitters, Appe-Curb aids in creating a balance in the brain and a feeling of well-being.\*
