Read the entire label and follow the directions carefully prior to use.

DIRECTIONS: Take one (1) capsule daily with or without food, or as recommended by a healthcare practitioner. Ginkgolic acid is an allergen found in all *Ginkgo biloba* extracts. The stringent German Commission E has set the ginkgolic acid limit at no more than 5 ppm. Super Ginkgo Extract 28/7 has been purified to contain the lowest level of ginkgolic acid possible (no more than 1 ppm).

CAUTION: If you are taking anti-coagulant or anti-platelet medications, or have a bleeding disorder, consult your healthcare provider before taking this product.

Store tightly closed in a cool, dry place.

WARNINGS:

- KEEP OUT OF REACH OF CHILDREN.
- DO NOT EXCEED RECOMMENDED DOSE.
- Do not purchase if outer seal is broken or damaged.
- When using nutritional supplements, please consult with your physician if you are undergoing treatment for a medical condition or if you are pregnant or lactating.
