

Directions: Take 2 capsules twice daily or as directed by your healthcare practitioner.

Saloxicin™ represents breakthrough support for alleviating discomfort related to inflammation. White willow bark is the original source of salicin, a forerunner of aspirin. Salicin is a natural inhibitor of both the COX-2 and 5-Lipoxygenase enzymes. Saloxicin™ provides 120 mg salicin per serving from a 30% standardized extract of willow bark. Saloxicin™ also contains the most powerful of all boswellic acids, 3-O-Acetyl-11-Keto-β-Boswellic acid (AKBA). 5-LOXIN® is a patented boswellia extract providing 12 times more AKBA than traditional boswellia extracts.*

*These statements have not been evaluated by the Food and Drug Administration. This product is not intended to diagnose, treat, cure or prevent any disease.

CAUTION: Consult with your healthcare practitioner before use. Keep out of reach of children. Not to be used during pregnancy and lactation unless otherwise directed by a qualified healthcare practitioner. Avoid if allergic/sensitive to salicylates.

STORAGE: Keep tightly closed in a cool, dry place.

DOES NOT CONTAIN: Wheat, gluten, corn protein, yeast, soy, artificial colors, sweeteners or preservatives.
