

BARCODE

Directions: Take 1 to 2 capsules per day before or during meals or as directed by your healthcare professional.

Probio Defense™ is an optimal combination of probiotic bacteria that supports the immune system.

This product contains:

Lactobacillus helveticus Rosell-52 (3 billion)

Lactobacillus rhamnosus Rosell-11 (1 billion)

Bifidobacterium longum Rosell-175 (1 billion)

The addition of selenium and zinc help to balance the intestinal flora and stimulate the body's natural defenses.

L.helveticus Rosell-52, *B.longum* Rosell-175 and *L.rhamnosus* Rosell-11 strain are all resistant to gastric acidity and bile salts. XYMOGEN® is the first company in the U.S. to bring you this powerful-patented combination of highly effective probiotics enriched with the minerals zinc and selenium.*

***These statements have not been evaluated by the Food and Drug Administration. This product is not intended to diagnose, treat, cure, or prevent any disease.**

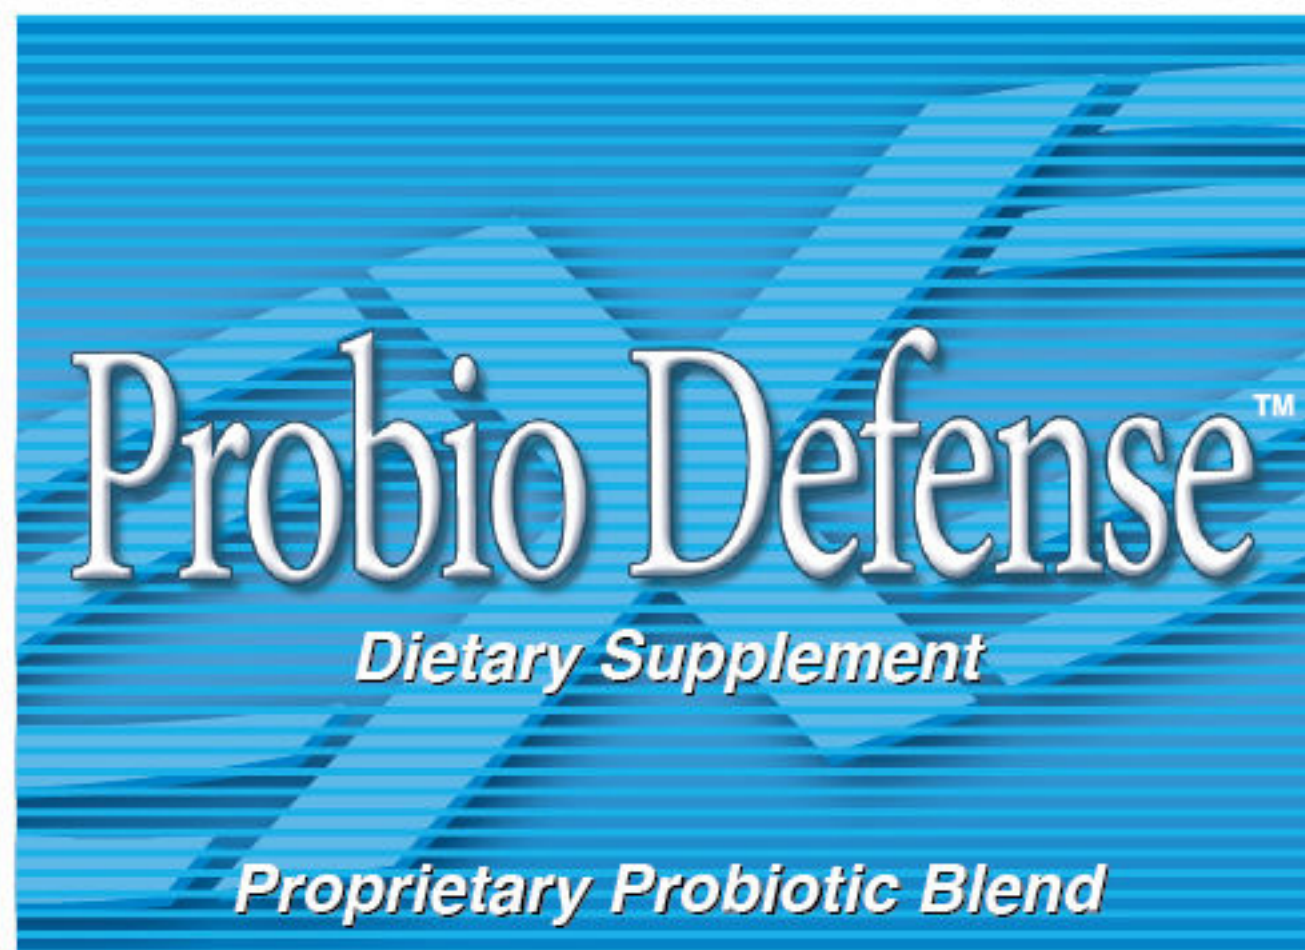

CAUTION: If pregnant, please consult with your healthcare practitioner before use. Keep out of reach of children.

SHIPPING & STORAGE: Probio Defense™ is stable at temperatures up to 96 degrees F. It is shipped refrigerated to prevent exposure to temperatures above this level which may result in some loss of activity. In order to maximize shelf life, please store in a cool, dry place.

DOES NOT CONTAIN: Wheat, gluten, corn protein, yeast, artificial colors, sweeteners or preservatives.
