DIRECTIONS: Take one (1) capsule daily with or without food, or as recommended by a healthcare practitioner.

Ginkgo Biloba Certified Extract™ has been concentrated and dual standardized to ensure the highest quality, consistency, and biological activity. Ginkgo Biloba Certified Extract™ contains the lowest level of ginkgolic acid available, even lower than the stringent 5 ppm German Commission E limit. Ginkgolic acid is an allergen for some people and is present in much higher levels in lower quality products.
