

DIRECTIONS: Adults take one capsule one to three times daily, or as directed by your healthcare practitioner.

Red Yeast Rice is a preparation made from a yeast that is commercially grown on rice grains. The rice and yeast, which is deep red in color, are ground up into a red powder. Red yeast rice has been found to naturally support healthy blood lipid levels.*

*These statements have not been evaluated by the Food and Drug Administration. This product is not intended to diagnose, treat, cure, or prevent disease.

CAUTIONS: It has not been confirmed whether red yeast rice inhibits the body's production of CoQ10. Therefore, you may wish to supplement with CoQ10 while taking this product. If you are taking prescription drugs or if you are allergic to yeast, consult your healthcare practitioner before use. Do not use if you are pregnant or nursing or if you suspect you may be pregnant. Do not use if you are an organ transplant recipient. Not intended for use by children.

STORAGE: Keep tightly closed in a cool, dry place.
