

Directions: Take 2-4 capsules daily, or as directed by your healthcare practitioner.

Representing more than 30 years of neuroscience research, this convenient encapsulated formula, developed by Board-Certified Neurologist and internationally recognized leader in nutritional neurology, David Perlmutter, MD, FACN, is designed to enhance brain performance and promote brain health. A key component of a complete program to ensure optimal brain function, **NeuroActives™ BrainSustain™** improves the energy production of brain mitochondria and provides generous antioxidant support to combat the damaging effects of free radicals in the brain.*

Four capsules of NeuroActives BrainSustain provide the same amount of N-Acetyl-Cysteine, Phosphatidylserine, Acetyl-L-Carnitine, Alpha Lipoic Acid, Coenzyme Q10, and Sulforaphane Glucosinolate as one scoop of BrainSustain™ powder.

***These statements have not been evaluated by the Food and Drug Administration. This product is not intended to diagnose, treat, cure or prevent any disease.**

CAUTION: Consult with your healthcare practitioner before use. If receiving cancer treatment, check with your treating physician. Keep out of reach of children.

STORAGE: Keep tightly closed in a cool, dry place.

DOES NOT CONTAIN: Wheat, gluten, corn protein, yeast, animal or dairy products, artificial colors, sweeteners, or preservatives.
