Read the entire label and follow the directions carefully prior to use.

DIRECTIONS: Take six (6) capsules with 8 to 16 ounces of water or other liquid twice daily with meals, or as recommended by a healthcare practitioner.

CAUTION: Take at least two hours apart from medications. Taking fiber products without adequate liquid may increase the risk of choking. Consult your healthcare provider before taking this product if you have difficulty swallowing or esophageal narrowing.

Store tightly closed in a cool, dry place.

WARNINGS:

- KEEP OUT OF REACH OF CHILDREN.
- DO NOT EXCEED RECOMMENDED DOSE.
- Do not purchase if outer seal is broken or damaged.
- When using nutritional supplements, please consult with your physician if you are undergoing treatment for a medical condition or if you are pregnant or lactating.

WARNING: This product contains a chemical known to the State of California to cause birth defects or other reproductive harm.

These statements have not been evaluated by the Food and Drug Administration. This product is not intended to diagnose, treat, cure, or prevent any disease.
