Directions: As a dietary supplement, take 2 softgels per day or as directed by your healthcare practitioner.

PhosphaLine 4:1™ The membrane holds the balance of life in every cell. Phosphatidylcholine (PC) comprises approximately 50% of the cell membrane. The loss of PC in the membrane is replaced with Sphingomyelin and a consummate increase of very long chain of fatty acids.

Sixty-nine percent of the chemical structure of PC is fatty acids in PhosphaLine 4:1™ is formulated with a fatty acid ratio of 4 parts omega 6 to 1 part omega 3.

The 4:1 ratio has been proven to be the best ratio to balance the Essential Fatty Acids (EFA) of the body. The World Health Organization has endorsed the 4:1 ratio as the optimum balance of omega 6 and omega 3 EFAs.*
