

DIRECTIONS: Take three caplets twice per day: 3 caplets 30 minutes before breakfast and 3 caplets again 30 minutes before lunch with 8 ounces of water.

N.O. max ER™ includes the nitric oxide precursor, L-arginine in combination with the exclusive patented ACTINOS® whey peptide to help support healthy nitric oxide production. Nitric oxide plays a critical role in promoting vasodilation, healthy arterial function and optimal circulation, which is important for overall cardiovascular health.†

WARNINGS: Consult your healthcare professional prior to use if you have or suspect a medical condition, including high blood pressure and a history of cold sores, are taking prescription drugs, or have allergies to arginine, corn, or citrus fruit. Do not use if you are pregnant or lactating. Not intended for use by individuals under the age of 18 years. Do not exceed the recommended intake.

STORAGE: Keep out of the reach of children. Store at 59-86°F (15-30°C). Protect from light and moisture. Do not use if seal is broken.

DOES NOT CONTAIN: Wheat, soy, dairy, egg, fish/shellfish, or nuts/tree nuts.

†These statements have not been evaluated by the Food and Drug Administration. This product is not intended to diagnose, treat, cure or prevent any disease.
