

Directions: Take 1-2 capsules daily, between meals or as directed by your healthcare practitioner.

POWERFUL FREE RADICAL SCAVENGER

N-Acetyl Cysteine (NAC) is a derivative of the dietary amino acid L-cysteine. It is a powerful free radical scavenger and thus supports the body's natural defense system. NAC provides cysteine, the major precursor in the biosynthesis of glutathione (GSH). GSH is the principle defense within the body against reactive oxygen species (ROS) and is also responsible for the detoxification of drugs, metabolites and other compounds. NAC also has the ability to chelate heavy metals.

NAC PROVIDES POTENT NUTRITIONAL SUPPORT TO ALL BODY CELLS AS A POWERFUL ANTIOXIDANT.*

*These statements have not been evaluated by the Food and Drug Administration. This product is not intended to diagnose, treat, cure or prevent any disease.

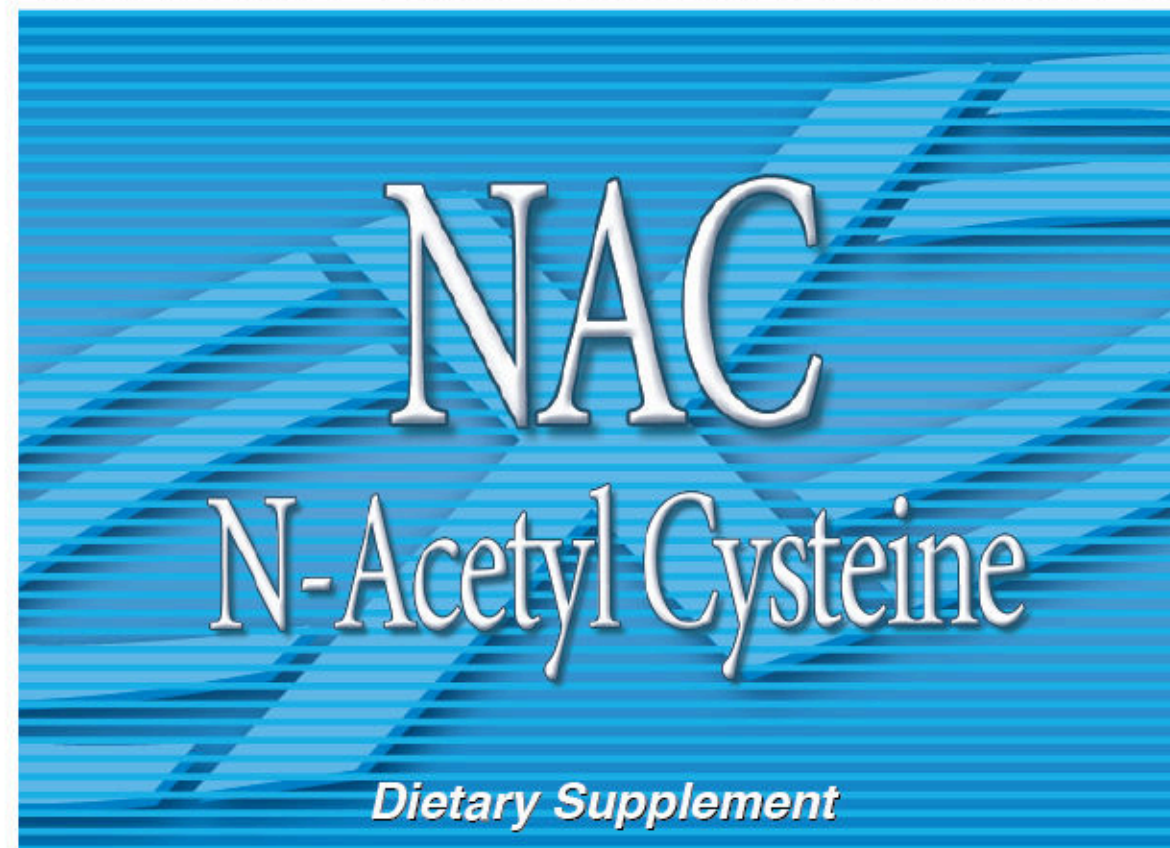

CAUTION: Do not take if pregnant or lactating. Do not take if currently taking any prescription medication or receiving medical treatment without consulting your physician. Keep out of reach of children.

STORAGE: Keep tightly closed in a cool, dry place.

DOES NOT CONTAIN: Wheat, gluten, corn protein, yeast, soy, animal or dairy products, artificial colors, sweeteners or preservatives.
