Directions: For adults, take one (1) capsule two to four times daily, preferably with meals.

Our Pomegranate extract is standardized to contain 40% ellagic acid, an important polyphenol, and one of the fruit's active constituents. Polyphenols promote antioxidant health, which helps fight the cell damaging free radicals that can lead to oxidative stress and the premature aging of cells.* By scientifically isolating active constituents, we ensure that they remain at consistent concentration levels with each dose.

WARNING: If you are pregnant, nursing, taking any medications or have any medical condition, consult your doctor before use. Discontinue use and consult your doctor if any adverse reactions occur. Keep out of reach of children. Store at room temperature. Do not use if seal under cap is broken or missing.
