***These statements have not been evaluated by the FDA. This product is not intended to diagnose, treat, cure or prevent any disease.**

Directions: For adults, take one (1) tablet at bedtime as Melatonin may produce drowsiness.

Melatonin works in harmony with your natural sleep cycle to give you the tranquil rest you deserve, so you can awaken feeling refreshed.* Melatonin is a terrific choice for people experiencing occasional sleeplessness, those with jet lag, or anyone seeking to improve their quality of rest.* This extra strength formula should be used by individuals who may need a higher level of sleep support.*

WARNING: Not intended for use by pregnant or nursing women. If you are taking any medications or have any medical condition, consult your doctor before use. Discontinue use and consult your doctor if any adverse reactions occur. Do not drive, operate machinery or consume alcohol when taking this product. Limit use to two months with a break of one week. Not intended for use by persons under the age of 18. Keep out of reach of children. Store at room temperature. Do not use if seal under cap is broken or missing.
