Directions: For adults, take one (1) softgel daily, preferably with a meal.

Health experts agree: not all fat is bad for you. Omega-3 fatty acids are considered some of the "good" fats important for cellular, heart and metabolic health.* Omega-3 Fish Oil contains eicosapentaenoic acid (EPA) and docosahexaenoic acid (DHA), which help support and maintain the health of your cardiovascular system.* Fish Oil also helps maintain triglyceride levels already within a normal range.*

*These statements have not been evaluated by the FDA. This product is not intended to diagnose, treat, cure or prevent any disease.

Guaranteed Purity. Molecularly Distilled to eliminate Mercury.

WARNING: If you are pregnant, nursing, taking any medications, including blood thinners, planning any medical or surgical procedure or have any medical condition, consult your doctor before use. Discontinue use and consult your doctor if any adverse reactions occur. Keep out of reach of children. Store at room temperature. Do not use if seal under cap is broken or missing.
