

BARCODE

Directions: Take one capsule during the day and one capsule at bedtime or as directed by your healthcare practitioner.

NattoKinase is an all-natural, potent fibrinolytic enzyme that is extracted and highly purified from natto, a fermented soybean food consumed in Japan for over 1000 years. It is fast-acting and long-lasting.

In 1980, researchers discovered that NattoKinase could successfully break down fibrin, a blood clotting protein. NattoKinase has been the subject of many studies, including human and animal trials. NattoKinase may support the body in areas such as cardiovascular-related disorders, vascular and circulatory disorders and may aid in conditions of poor healing.*

***These statements have not been evaluated by the Food and Drug Administration. This product is not intended to diagnose, treat, cure or prevent any disease.**

CAUTION: Consult with your healthcare practitioner before use. Avoid if allergic to soy. Keep out of reach of children.

STORAGE: Keep tightly closed in a cool, dry place.

CONTAINS: Soy.

DOES NOT CONTAIN: Wheat, gluten, corn protein, yeast, dairy products, artificial colors, sweeteners or preservatives.

XYMOGEN®

EXCLUSIVE PROFESSIONAL FORMULAS

NattoKinase

Dietary Supplement
High Potency
Patented, Fibrinolytic Enzyme

Pharmaceutical Grade • Professional Use Only
120 Vegetable Capsules

Supplement Facts

Serving Size: 1 Capsule

Servings Per Container: 120

	Amount Per Serving	% Daily Value
NattoKinase (NSK-SD®) (active enzyme at 20,000 FU/gram)†	50 mg	**

** Daily Value not established.

† Enzyme activity (fibrin units per gram).

Other Ingredients: Vegetarian capsule (HPMC and water), rice flour and magnesium stearate.

NattoKinase (NSK-SD®) is the highest activity (20,000 fibrin units per gram) nattokinase produced U.S. patented manufacturing process. Patent Application No. 20010046697 removes Vitamin K to prevent adverse interaction with warfarin.

All XYMOGEN® Formulas Meet or Exceed cGMP Quality Standards.
