

Discover Marine Minerals

and trust
the Difference...™

The True Nature of Our Standards
goes way beyond the norm...™

Harvested in the **cool, clean and pristine waters** off the coast of Iceland, Aquamin's® **Red Algae and Seawater** Marine Magnesium and Multi-Mineral Complex supplies bio-active **magnesium, calcium, and 72 other trace minerals.**

In an area **untouched by industry**, the warm waters of the gulfstream meet the cold clean waters of the arctic and the **perfect conditions** exist for **Red Algae** to build up.

Supported by a significant and growing body of scientific publications, Aquamin's® **unique matrix** of trace minerals works synergistically together to give a **powerful boost** to **magnesium's bioactivity.**

Store in a cool, dry place.
