Digest Smart® high potency formulas are made with maximum Enzyme Activity Values (EAV) so you can comfortably enjoy more of your favorite foods.*

ADULT 50+ CARE POTENCY

Food Group	EAV Power
Protein	2,000,000 PU
Carbohydrate	40,000 DP
Fat	4,900 FIP
Fiber	4,200 CU

Digest Smart ADULT 50+ CARE is formulated with 25 plant-based, raw enzymes and additional herbs and trace minerals that may help optimize enzyme production lost with age, and may help prevent occasional gas, bloating, and indigestion.*

Enzyme Activity Values (EAV) are derived from specific, validated tests on the product to measure the ability to break down protein, carbohydrates, fats, and fiber. EAV is an indicator of ability to digest foods.

Good for your Gut!

Your gut is your engine, your digestive core.

Keep it running smoothly at every meal with Renew Life™ digestive enzymes. Our plant-based, broad-spectrum blends promote optimal digestion and nutrient availability so you feel better, lighter, and more energized.*

BENEFITS YOU CAN FEEL

Today's highly processed and cooked foods often lack digestive enzymes, so your body may have to work harder to break down and absorb nutrients, causing occasional gas, bloating, and indigestion.* Our potent enzyme formulas work hard to reduce occasional digestive discomforts and unlock the nutrient goodness found in your food.*

TARGETED DELIVERY

Digest Smart® ZymeGuard™ targeted-delivery capsules resist stomach acid to ensure more active enzymes reach your intestinal tract.*

GUARANTEED

Digest Smart is third-party tested and certified for potency and purity. For test results, visit www.izyemeprogram.com.
