

Acai Berry has been used for thousands of years by the natives of the Brazilian rain forests. Modern science has discovered many nutrients in the acai berry, such as Vitamin C and E along with Vitamin B1 (Thiamine), Vitamin B2 (Riboflavin), Vitamin B3 (Niacin), iron, potassium, phosphorus and calcium.

ORAC stands for "Oxygen Radical Absorbance Capacity" and describes a laboratory analysis of the antioxidant activity. **ORAC Super 7™** contains a hand selected combination of some of the world's most powerful, high ORAC scoring berry and fruit extracts.
