

OncoMAR™-Avemar® development was inspired by the work of Hungarian scientist Dr. Albert Szent-Györgyi, awarded the 1937 Nobel Prize in Medicine for describing the essential role of vitamin C in the life-sustaining processes of cellular metabolism.

Dr. Szent-Györgyi recognized that methoxy-substituted benzoquinones play essential roles in regulating and fine tuning metabolism at the cellular level and theorized that supplemental levels of methoxy-substituted benzoquinones could help the body respond to internal and external stresses.

In recent years, a new generation of Hungarian scientists has continued Dr. Szent-Györgyi work by developing a method of manufacturing an all-natural and standardized source of methoxy-substituted benzoquinones by fermenting wheat germ with baker’s yeast through a patented process. (U.S. Patent # 6,355,474)

This product is now available as a dietary supplement in a once-a-day, pleasant tasting instant drink mix, and is being studied in hospitals and recommended by doctors around the world. It is available in the U.S. under the brand name OncoMAR™, and Avemar® outside the U.S.

Warnings: Keep out of reach of children. Should not be taken during pregnancy or while nursing. Consult with a healthcare professional for recommended usage levels for children, and for guidance on using more than 1 OncoMAR™ packet (8.5g of Avemar®) per day. Discontinue OncoMAR™ usage 2 days before barium X-ray contrast examinations and resume 2 days after the completion of the examination.

Do not consume OncoMAR™ if you have had an organ or tissue transplant, are suffering from bleeding GI ulcers, have malabsorption syndrome, have gluten sensitive enteropathies (celiac sprue), have fructose intolerance or have hypersensitivity to gluten, wheat germ or any of the components or ingredients of this product.

This product is not intended to be the sole source of nutrients in the diet.

Storage: Store in a cool, dry place 41-79F (5-26 C)

This product is available under the brand name Avemar® outside of the USA. OncoMAR™ and Avemar® are registered trademarks of BroPharma. RI Manufactured by BroPharma RI.

PATENTED OncoMAR
Fermented Wheat Germ Extract Standardized to Methoxy-Substituted Benzoquinones (Avemar®pulvis)

OncoMAR™ is a dietary supplement that contains Avemar® a uniquely beneficial all-natural compound that helps support metabolism within cells, maintain healthy immune balance, and helps the body adapt to the internal and external stresses that challenge health. Avemar® is the subject of more than 20 peer-reviewed research studies, including human clinical trials with hundreds of subjects, showing safety and demonstrating its health enhancing benefits.*

- Supports cell metabolic regulation*
- Promotes immune system modulation*
- Maintains healthy cellular & humoral (Th1/Th2) immune balance*
- Promotes optimal NK cell targeting ability and the coordinated response of macrophages, B-cells, and T-cells*

*These statements have not been evaluated by the Food and Drug Administration. This product is not intended to diagnose, treat, cure or prevent any disease.

XYMOGEN®
EXCLUSIVE PROFESSIONAL FORMULAS

PATENTED OncoMAR™
Fermented Wheat Germ Extract Standardized to Methoxy-Substituted Benzoquinones (Avemar® pulvis)

**Dietary Supplement
30 Single Serving Packets**

Pharmaceutical Grade • Professional Use Only
Net weight: 17g (.6oz) containing 8.5g (.3oz)
Avemar pulvis each. Total net weight: 510g (18oz) mix,
containing 255g (9oz) Avemar® pulvis

Natural Orange Flavored
Instant Drink Mix

Suggested usage:
As a dietary supplement for adults, use 1 OncoMAR™ packet (17g, providing 8.5g Avemar® pulvis) per day.

Add OncoMAR™ packet to 8 oz. (240 ml) of cold water, mix thoroughly and drink within 30 minutes. (Mix by shaking for best results). Do not store after mixing. OncoMAR™ can also be mixed with other beverages but only those providing less than 10 mg of vitamin C per 8 oz serving.

To maximize absorption, consume OncoMAR™ one hour before or after a meal, and 2 hours before or after taking any drugs or other dietary supplements.
