

DIRECTIONS: Pour one sachet of powder into a tall, empty glass. Add 4 oz of chilled water and lightly stir. Let stand one minute. Add 4 more oz of chilled water and lightly stir. Let stand one minute and drink. Take one to two times daily, or as directed by your healthcare practitioner.

AngiNOX™ is XYMOGEN's exciting formula based on the latest Nobel Prize-winning research on nitric oxide, a naturally occurring compound in the body. Nitric oxide is an important messenger that signals a variety of responses at the cellular level which are beneficial to circulatory, immune, and nervous system functions. AngiNOX is a refreshing, effervescent powder that offers therapeutic levels of L-arginine and L-citrulline, two amino acids the body uses to make nitric oxide.*

*These statements have not been evaluated by the Food and Drug Administration. This product is not intended to diagnose, treat, cure, or prevent any disease.

CAUTIONS: Consult your healthcare practitioner before use, especially if you are pregnant, nursing, or taking any medication. Do NOT use if you have low blood pressure. Keep out of reach of children.

STORAGE: Keep tightly closed in a cool, dry place.

DOES NOT CONTAIN: Wheat, gluten, corn protein, yeast, soy protein, animal or dairy products, artificial colors, sweeteners, or preservatives.
