

Directions: As a dietary supplement, take 2-3 capsules per day or as directed by your healthcare practitioner.

Each softgel contains: 900 mg Pure Polyenylphosphatidylcholine (PPC). PPC contains no other phospholipids that may compete for absorption. Studies show PPC ingestion increases choline levels in the blood and brain and supports acetylcholine synthesis for proper neuronal and cell function. Daily supplementation of PPC may support and maintain healthy brain and liver function, healthy cholesterol levels, and gastric mucosal protection. As a daily membrane therapeutic, PPC is widely used as an anti-aging supplement.*

***These statements have not been evaluated by the Food and Drug Administration. This product is not intended to diagnose, treat, cure or prevent any disease.**

CAUTION: Keep out of reach of children.

STORAGE: Keep tightly closed in a dry place at controlled room temperature 15° - 30°C (59°-86°F).

DOES NOT CONTAIN: Wheat, gluten, corn protein, yeast, dairy products, artificial colors, sweeteners or preservatives.

TAMPER RESISTANT: Do not use if safety seal is broken or missing.
