

BARCODE

DIRECTIONS: One to three times a day, with meals, consume the contents of one sachet dissolved in 1-2 oz pure water, or as directed by your healthcare practitioner.

The multitude of healthful benefits attained by the individual supplementation of probiotic strains of bacteria, the non-pathogenic yeast, *Saccharomyces boulardii*, immunoglobulins, and the prebiotic, arabinogalactan, is enhanced by the unique proprietary combination of these ingredients. The free-flowing powdered blend is conveniently packaged into single dose sachets. **ProbioMax Plus DF™** is the ideal solution for individuals with a variety of gut-related issues that cause inflammation and discomfort.†
