

AntioxidEnz™ is uniquely formulated with a proprietary blend of **pHysioProtease™**, and potent natural antioxidants to help protect against cellular damage from an oxidative environment.* The highly purified enzymes in **pHysioProtease™** are concentrated from mycological sources specifically cultivated for optimum activity in the human body.

Recommended Usage: One (1) capsule two times per day on an empty stomach (a minimum of one hour prior to a meal and two hours after a meal), or more may be taken as indicated by your doctor. Take with adequate liquid.

Store tightly sealed in a cool, dry place.
Keep out of reach of children.
