

Doctor's Best Astaxanthin with AstaPure® supplies astaxanthin, a natural carotenoid pigment, ultra-potent antioxidant and free radical scavenger with unique effects on cell membranes. Our bodies cannot synthesize astaxanthin. Doctor's Best Astaxanthin is derived from a solvent-free concentrate from green microalgae which have the ability to biosynthesize astaxanthin very effectively. This action is linked to clinically-proven benefits for circulation, vision, immunity and muscle endurance.*

Helps support healthy blood flow and vessel integrity*

Helps promote healthy, integrated immune response*

May help maintain healthy vision*

Veggie softgels, made with a healthy gelatin-free alternative to suit your lifestyle*
