

Quali®-C is ascorbic acid manufactured in Scotland and prized for its quality and reliability. Ascorbic acid is indispensable to the body for its role as an electron donor, supporting numerous enzymes in addition to enhancing the body's total antioxidant potential.* It is also essential for the synthesis of collagen, carnitine, and certain brain chemical transmitters. Abundant clinical research confirms vitamin C's fundamental support for the brain, eyes, heart and circulation, immune system, and all organ systems.*

Helps the body's antioxidant defenses*

Essential cofactor for important enzyme systems*

Helps promote healthy immune response*

Essential for joints and other connective tissues*
