

Suggested Usage: Take 1 capsule 1 to 2 times daily as needed.

NOW® Seasonal Rapid Relief features Enzymatically Modified Isoquercitrin, a clinically tested form of Quercetin with enhanced bioavailability. Studies have shown that it can support a balanced immune system response to seasonal or environmental factors and helps to maintain eye comfort.* Enzymatically Modified Isoquercitrin exhibits up to 40 times greater absorption than Quercetin, and reaches peak plasma levels rapidly – typically within 30 minutes!
