Omega-3 Fish Oil contains EPA and DHA, which help support and maintain the health of your cardiovascular system.* Omega-3 fatty acids also help maintain triglyceride levels already in the normal range.* This unique supplement is coated, which means the nutrients bypass the stomach and digest in the small intestine, which can minimize the aftertaste.

Supportive but not conclusive research shows that consumption of EPA and DHA omega-3 fatty acids may reduce the risk of coronary heart disease. One serving of Odor-less Fish Oil provides 300 mg total of EPA, DHA and other omega-3 fatty acids. See nutrition information for total fat and cholesterol content.

Directions: For adults, take one (1) softgel three times daily, preferably with meals. As a reminder, discuss the supplements and medications you take with your health care providers.

Warning: If you are pregnant, nursing, taking any medications, including blood thinners, planning any medical or surgical procedure or have any medical condition, consult your doctor before use. Discontinue use and consult your doctor if any adverse reactions occur.

KEEP OUT OF REACH OF CHILDREN. STORE AT ROOM TEMPERATURE AND AVOID EXCESSIVE HEAT. TAMPER RESISTANT: DO NOT USE IF SEAL UNDER CAP IS BROKEN OR MISSING.

No yeast, wheat, gluten, milk or milk derivatives, lactose, sugar, artificial color, artificial flavor.
