This product is not intended to diagnose, treat, cure or
prevent any disease.

Directions: For adults, take one (1) softgel three times daily, preferably with meals.

Health experts agree: not all fat is bad for you. Omega-3 fatty acids are considered some of the “good” fats important for cellular, heart and metabolic health.* Fish Oil 1200 mg contains eicosapentaenoic acid (EPA) and docosahexaenoic acid (DHA), which help support and maintain the health of your cardiovascular system.* These fatty acids also help maintain triglyceride levels already within a normal range.*

This product contains important fatty acids for the body and comes in a larger dosage size to ensure you are getting all of the benefits Fish Oil is famous for providing.*

WARNING: If you are pregnant, nursing, taking any medications, including blood thinners, planning any medical or surgical procedure or have any medical condition, consult your doctor before use. Discontinue use and consult your doctor if any adverse reactions occur. Keep out of reach of children. Store at room temperature. Do not use if seal under cap is broken or missing.

Guaranteed Purity. Molecularly Distilled to remove Mercury.

Marine Lipid Concentrate.
