Vitamin B12 is essential for normal formation of blood cells and contributes to the health of the nervous system.* There is no question about it, a good diet contributes to optimal health, but sometimes stress, fast food meals and eating on the run can have nutritional consequences. One way to ensure that you are getting your daily values for B Vitamins is to take dietary supplements.

Warning: If you are pregnant, nursing, taking any medications or have any medical condition, consult your doctor before use. Discontinue use and consult your doctor if any adverse reactions occur.

No yeast, gluten, milk or milk derivatives, lactose, sugar, preservatives, soy, artificial flavor, salt.

Vegetarian Formula
