

InflammEnz™ is uniquely formulated with a proprietary blend of pHysioProtease™, bromelain and Vitamin C plus synergistic bioflavonoids and minerals for soft tissue support.* The highly purified enzymes in pHysioProtease™ are concentrated from mycological or plant sources specifically cultivated for optimum activity in the human body.

Recommended Usage: One (1) capsule three times per day on an empty stomach (a minimum of one hour prior to a meal and two hours after a meal) or more may be taken as indicated by your doctor. Take with adequate liquid.

Store tightly sealed in a cool, dry place.
Keep out of reach of children.
