One Capsule A Day Naturally Maintains A Healthy Digestive System!

Poor diet, age, stress, travel, antibiotics and other prescription medications can disrupt bad bacteria to flourish in the digestive system. Probiotics are "friendly" bacteria that help restore natural balance in your intestinal tract. Trunature® Digestive Probiotic has been scientifically shown to help maintain digestive health and support a healthy immune system, promoting a general feeling of well-being.†

Gluten, Soy and Dairy Free

Supplement Facts

Serving Size 1 Capsule

	Amount per Serving	% Daily Value
Probiotic Blend <i>Lactobacillus acidophilus</i> , <i>Bifidobacterium lactis</i>	10 billion CFU's**	*
