

K46 NeuroFlam™

Product Description:

NeuroFlam™ is intended to support the brain-immune system with phenols and flavonoids.‡ This formula also incorporates ingredients that are involved in antioxidant processes.‡ Key ingredients include catechins, curcuminoids, baicalin, and apigenin.

NeuroFlam™-NT is designed as an immune-neutral product.‡ It does not include the resveratrol or the catechins that are incorporated in our regular NeuroFlam™ product. Both of these ingredients provide specific immune support.‡
