EyePromise® Zeaxanthin contains a key carotenoid found in the center of the macula, Zeaxanthin, which is a natural, highly bioavailable carotenoid derived from paprika (*Capsicum annuum*). Zeaxanthin helps increase macular pigment while providing excellent photo-protective and antioxidant properties.⁹

Directions: Adults take 1-2 softgels per day with a meal, or as directed by your EyeCare Professional. *Store at room temperature. Do not expose to excessive heat.*

⁹These statements have not been evaluated by the FDA. This product is not intended to diagnose, treat, cure, or prevent any disease.

WARNING: If you are pregnant or nursing, taking any medications, or planning any medical procedure, consult your doctor before use. Discontinue use and consult your doctor if any adverse reactions occur. Keep out of the reach of children. Do not use if seal under cap is broken or missing.
