

UPC

Directions: Take one softgel daily or as directed by your healthcare practitioner.

Xcellent E HG-400™ represents a breakthrough in Vitamin E supplementation. Long term Vitamin E supplementation at 400 IU or more per day is best addressed by a providing a blend of tocopherols rather than just the alpha isomer found in most supplements. Clinical research on Vitamin E has demonstrated beneficial antioxidants effects in numerous organ systems. Most prevalent amongst these are the cardiovascular, neurological, ocular and reproductive systems.*
