

SUGGESTED USE: Two capsules daily with meals as a dietary supplement. For best results, take one capsule in the morning with breakfast and one capsule in the afternoon or early evening, or as directed by a health care professional. This product should be used in conjunction with a sensible diet and exercise program.

CAUTION: Do not exceed recommended dose. Pregnant or nursing mothers, children under 18 years of age and individuals with a known medical condition should consult a health care professional before using this or any dietary supplement. This product is manufactured and packaged in a facility which may also process milk, soy, wheat, egg, peanuts, tree nuts, fish and crustacean shellfish.

WARNING: This product contains 106 mg of caffeine per serving (equivalent to approximately 1 cup of coffee)

These statements have not been evaluated by the Food and Drug Administration. This product is not intended to diagnose, treat, cure, or prevent any disease.
