product info

Read the entire label and follow the directions carefully prior to use.

DIRECTIONS: Take one (1) softgel twice daily with or without food, or as recommended by a healthcare practitioner. European Milk Thistle is both grown and processed in Europe. This premium quality extract is triple standardized to the main active compound, silymarin, but also standardized to three highly active isomers (silybin, isosilybin A and B).

Store tightly closed in a cool, dry place.

SILIPHOS® is a registered trademark of Indena S.p.A., Italy.

WARNINGS:

- KEEP OUT OF REACH OF CHILDREN.
- DO NOT EXCEED RECOMMENDED DOSE.
- Do not purchase if outer seal is broken or damaged.
- When using nutritional supplements, please consult with your physician if you are undergoing treatment for a medical condition or if you are pregnant or lactating.
